Learning Areas

Adult Basic Education (ABE) is for people who want to review or upgrade basic academic and life skills. All instruction is personalized to meet each learner's goals.

Reading: learn to enjoy and understand what you read.

Writing: feel better about writing notes, letters, papers and memos.

Spelling: become a better speller.

Employability: explore new job seeking methods or develop a resume'.

Life coping: study for the driver's test, plan a budget, learn computer basics and more.

Monday through Thursday
