## March Ice Show Costume Order Form

**Deadline Saturday, November 15th**

### March Ice Show Participants:

Skaters in the PRCE Skating School (Tots-Delta) or HFSA members (FS1-FS10) are invited to register for the March Ice Show.

### Costume Deadline & Fees: *(Make checks payable to the HFSA.)*

The costume form must be completed and returned on or before **Saturday, November 15th**. **A \$45 deposit must accompany registration**. The average costume fee ranges between \$45-\$55 which includes an additional \$5 ice show fee. If there is a remaining balance, it must be paid before the costume can be received. The ISI skill level a skater has last passed as of November 22nd is the level that will be skated during the show. Watch the figure skating bulletin board for a list with skater name/level passed, please confirm correct by checking your skater's name on list.

**LATE FEE: A \$10 late fee** will be added to any costume orders received after 11/15, plus any additional shipping charges. Most costumes are not in stock and require a 2-3 month lead-time, so orders are placed early.

**Tot Costume:** Tot costumes will be ordered from a company and have a fee of \$30. Return completed measurement form and \$30 costume fee on or before Wednesday, November 15th.

### Costume Measurements:

Measure each child with a leotard or under garment for accurate measurements. Children should not wear loose or baggy clothes. When taking a measurement, allow the tape to overlap two fingers for a generous measurement.

### Time Line:

Costumes must be ordered early in order to receive them by picture day. The costumes should arrive by the beginning of February and will be distributed during lessons. Signs will be posted with costume status.

### Return to:

HFSA, PO Box 204, Hutchinson, MN 55350. Forms may also be dropped off at the PRCE office or given to Skating Directors Jenny Farley & Megan Cruser or Show Coordinator Lynnae Sellner.
